The Ohio Health Sciences Library Association (OHSLA) is an organization that represents Ohio health information professionals in academic, hospital, and other environments. It provides statewide networking with other health information professionals and opportunities for cooperative ventures with other Ohio health sciences libraries.

OHSLA sponsors both in-person and virtual opportunities for collaboration, publication, networking, continuing education, and problem solving. OHSLA's strong, unified voice promotes the views and concerns of Ohio health sciences librarians to the state, region, and nation.

***We encourage you to join our Ohio team of friends!  
Below are just a few highlights of the benefits of OHSLA membership.***

- **Affordable, Convenient and Closer-to-Home Educational Activities:** OHSLA sponsors relevant and affordable quality programs, discussion groups, and other activities at two annual meetings, including an upcoming joint meeting in 2018 between OHSLA and the Midwest Chapter of the Medical Library Association in Cleveland, OH. Most of our meetings feature 3-4 MLA approved continuing education credits on a wide variety of topics. At only \$40 per meeting, including breakfast, lunch and continuing education credits, this is an extraordinary value! An added benefit is the opportunity to visit and tour many of Ohio's exceptional libraries.
- **OHSLA Newsletter and Blog:** Our online publications, The OHSLA Voice and The Voice of OHSLA Blog, keep members up-to-date on the news, activities, projects and plans of its leadership, committees, and members.
- **OHSLA Listserv:** (117 members) Provides a fast and easy way to consult with fellow Ohio librarians, keep up-to-date with resources in our field, and share or find out about job postings.
- **Professional Service and Leadership Opportunities:** OHSLA offers opportunities for leadership experience and mentorship in several roles and committees. We also work closely with the National Network of Libraries of Medicine, Greater Midwest Region and the Midwest Chapter of the Medical Library Association to share information, resources, educational opportunities, and funding sources.
- **OHSLA Scholarships and Student Rates:** In support of medical and health science library education, OHSLA offers scholarships and special membership rates for Ohio students pursuing a degree in LIS with an interest in the health sciences. Library students can join OHSLA for only \$5 per year.
- **OHSLA LinkedIn Group:** Share your professional profile and connect with others in the OHSLA LinkedIn group

Annual membership fees of \$15 are due one-year from the date you join or renew.  
You can login or join on the OHSLA website at <http://www.ohsla.info/join>
