**October 14, 2016**  
**State Library of Ohio**  
274 East First Avenue  
Columbus, OH 43201

## **Business Meeting Agenda**

### **Call to Order and Welcome – Mary Pat Harnegie**

Welcome of Linda Walton from the GMR.

36 members in attendance. See Appendix A.

### **Approval of Minutes from Spring 2016 Meeting – Monique Mason**

Betty Sydelko requested a change to an item under “Old Business” - Midwest Chapter/MLA change from MW MLA Chapter.

Approved minutes with the above change.

### **President’s Report – Mary Pat Harnegie**

- a. Thank speakers from NIH
- b. Discussed organization’s goals from 2015 survey. These included having more networking time at meetings and inclusiveness among our membership, including outreach to new members and getting to know existing members better as well as exploring a change to our meeting format. Communication improvement is another goal. Since hospital-based members usually can’t use Facebook at work, LinkedIn is social media by default. Mary Pat noted how these goals have been met - improved networking at Spring meeting was formal and well-organized, less formal in Fall meeting because of the length of the continuing education component; communications will be addressed by Jennifer Feldman in her report.  
Mary Pat noted Ohio is the only state in GMR which holds two meetings each year. ~~Noreen is looking at moving towards a two day, once a year meeting.~~ Noreen is looking at still holding 2 meetings per year. One of the meetings would have an optional 2<sup>nd</sup> day added to it. For example 4/29 – regular meeting and (optional 4/30 – for additional CE and workshops).  
Inclusiveness could also be expanded by OHSLA giving a scholarship to lib school students to attend our meetings. Inclusiveness can also be expanded by an award to a member to attend the MLA regional meeting. We could also sponsor a Librarian of the year award. Mary Pat is looking into this for the Winter Executive Meeting. Please contact her or another executive committee person if you have ideas about scholarships and/or awards.
- c. GMR has made changes to what was the RAC position. RAC within OSHLA is an elected position, GMR change means changes for OHSLA. Mary Pat will be appointing a “GMR Rep” until we can define it as an elected position.
- d. Spring meeting information is in The Voice, and available on the OHSLA website.

## Program Committee Report – Mary Pat Harnegie

The spring meeting was held at Riverside Methodist Hospital in Columbus on April 29, 2016. The facilities and food were found to be very satisfactory to our attendees. The program “Searching Grey Literature” by Galen Adams from Brown University was well received. The evaluations showed her to be highly knowledgeable and the program is something that can be applied immediately. We incorporated a networking activity and broke the group into small groups and had a series of questions pertinent to both academic and hospital librarians.

The tables shared input and reported out on their exchange highlights.

## Membership/Treasurer’s Report – Don Pearson

Don has volunteered to serve as Treasurer to serve out remaining months of Toni Pallotta’s term. Don reports we use Paypal and Wild Apricot for our Membership dues management; he is finalizing the transition from Toni to himself.

We currently have \$9700 in checking before paying for fall meeting (spending about \$1000, so \$8700 in checking) pretty good financially. Don thanked Noreen for arranging this meeting well under budget. See Appendix B.

a. Recognition of New Members since Fall 2014 – Wild apricot lists 25 new members, but some are existing members. Noreen distributed OHSLA pins to all the attendees who were truly new members. See Appendix A.

b. Benefits of Membership – Pins, reduced cost for meetings, access to the member listserv ([GMR-OHSLA@list.uiowa.edu](mailto:GMR-OHSLA@list.uiowa.edu)), access to members-only section of the website and addition to the LinkedIn group

## Webmaster Report – Don Pearson

Don and Jennifer Feldman, Communications chair, are looking for new ways for members to talk to each other. Currently Don keeps website up to date. There are also two listservs via the GMR at University of Iowa.

Since Don is also serving as Treasurer, he asked for a volunteer to take over the webmaster duties. He will train and assist.

See Appendix C.

## Communications Report – Jennifer Feldman

Communications committee wants to expand social media for professional networking. We currently use LinkedIn and are looking at blog.

Jennifer wants a blog to start running concurrently with the twice yearly issuing of The Voice. Jennifer invited all who are interested to become part of communications committee to create blog postings, working alongside Jennifer and Alyssa Portwood.

Jennifer asked for volunteers to help with continuing education committee for Midwest MLA.

### Archives Report – Noreen Mulcahy

New archivist (appointed position) Judy Griggs. She will be meeting with Noreen at end of October to shred paper documents, like bank statements. They will also be meeting with ~~Kristen Rodgers at OSU medical center~~ Kristin Rodgers, Collections Curator at the Health Sciences Library at the Ohio State University to make the transition.

### Past President's Report – Debi Orr

Debi reported the Past President's project is a SWOT analysis of the 2015 Survey. Jennifer Feldman and Charlotte Seivert Sievert will be assisting. Debi plans to have report for Spring 2017 meeting.

Past President also serves as chair of nominating committee. Debi will be calling for committee members in January. She needs 3 volunteers. Contact Debi to be on committee. Positions open in spring are President-elect, Treasurer (membership committee chair as well) and ~~GMR~~ GMR Rep. This last position needs job description. This will be defined at Winter Executive Committee meeting.

### GMR update – Linda Walton

GMR has moved to Iowa after 32 years in Illinois. GMR is one of 8 regional offices of NNLM. The current award changed from a contract to a grant. It is a "collaborative grant" meaning all regional offices work together, being less competitive and more about sharing skills.

National Library of Medicine has a new president, Patricia Brennan. She is particularly interested in consumer health and precision medicine.

New Ohio rep is Derek D. Johnson. He starts October 17.

Communication from the GMR includes a monthly digest, a listserv, a blog, an old and horrible website (Linda wants to put out new website in December).

The RAC as a formal organization no longer exists, based on the reconfiguring of all the Regional NNLM libraries. Instead, GMR is establishing advisory groups. There will be 3 focus groups, 1. health sciences librarians, 2. health professionals, and 3. community organizations (public libraries, non profits) advising the GMR. There will also be an undetermined number of another kind of groups focusing on specific agendas – for example, Native Americans.

Linda said she has been out of office last month so not much time to set these up.

Lake Effects will be having a name change.

Other initiatives – GMR will setting up quarterly journal club for Health Sciences Librarians.

Public health professionals and allied health professionals a target for outreach. GMR will begin working w/state-level health departments to identify 10 communities in each state to tell the story of each area – “the most unhealthy communities”

Online classes for consumers/consumer health libraries

Stevo asked for details about the Midwest chapter of MLA meeting in Iowa. Linda responded that Iowa has a small membership, so it holds meetings with the MidContinental Region.

## Old business

a. Midwest Chapter/MLA Chapter meeting See Stevo’s question above.

b. 2018 Midwest Chapter/ML – 2018 – Cleveland – Patricia Flatley Brennan is keynote speaker, Mary Pat soliciting suggestions for another keynote speaker.

Mary Pat distributed description of committees. She is looking for help/ideas. “Shake, rattle and roll” to be theme.

## New business

Mary Pat -- Wild Apricot, the software we use to manager our membership payment, uses a rolling calendar for renewals while our bylaws state July 1-June 30 is membership year. Mary Pat wants to amend the Bylaws to make our membership year work with Wild Apricot. She wants to amend Article III, Section 4. Membership year, “The Membership Year shall begin July 1 and end June 30” to “The Membership year will be twelve months from date of renewal.” Claire and Betty pointed out we can’t change bylaws unless proposed changes are sent to entire membership 30 days before a meeting.

Mary Pat – Changes to the RAC - The new NNLM contract created different ways to keep member libraries updated. The announcement by new GMR “RAC being dissolved” was disconcerting but this was miscommunication. While there is no RAC anymore, there is still the need for close communication. This will be the position for the focus group person by state. OHSLA will have a ~~GMR~~ GMR Representative, rather than a RAC representative. There will not be physical meetings, but web- based and teleconference communications. We need to change P&P manual and Bylaws. Mary Pat wants to define this position better.

A copy of the Bylaws can be found on the OHSLA website: <http://ohsla.info/page-1355683>.

Stevo – there has been lots of action since 2015 survey. He would like more transparency from executive board about meetings. Would like milestones – how fast/when to expect changes, such as to our meeting format/frequency; Debi Orr suggested SWOT analysis will maybe make changes apparent, happy to address this in Spring. Stevo wants these reports maybe on website so people who can’t come to meetings can see what is happening. Jennifer Feldman spoke about the survey respondents wanting more and better communication. Jennifer reminded us that getting blog up is also dependent on getting people interested in contributing. The Communications Committee is open to promoting transparency, please ask her.

## Adjournment

The meeting adjourned 1:40 pm.
