

President's Report – Spring 2020

Challenges:

We are facing unprecedented changes from the coronavirus pandemic impacting our ability to meet in-person. Thankfully, we have fantastic members and they have been extremely willing to meet online. We will continue to use Zoom, WebEx and other services until we can meet in-person. A huge thanks to Don Pearson, who worked quick magic to transition our April meeting online. Other conferences, such as Midwest MLA in October and our next Fall Meeting may be virtual or in-person. We'll have to see what happens and see the best way to provide scholarship funding.

Recognition:

Officers:
