

OHSLA Spring 2020 Meeting Past President Report – Angie Tucker

May 20, 2020

OHSLA Needs Assessment

As my past president project, I was responsible for updating the OHSLA needs assessment. Technically speaking, the needs assessment was due in calendar year 2019 but was delayed until Spring 2020. One source of delay was deciding on the best platform for the survey since I did not have access to survey software. Eventually the survey was set up on Google drive. The survey link was sent to the OHSLA listserv on May 18, 2020 and then to individual member emails to make sure everyone received it. Results of the survey will be shared with the Executive Board for the summer transition meeting and with the OHSLA membership at the fall business meeting.

If you haven't already, please visit the link below and complete the survey.
