

### **President-Elect's report (Fall, 2023 business meeting)**

Thank you to everyone attending both online and in-person, and thanks for your patience as we ease our way back into offering in-person options for OHSLA participation. I was last OHSLA President-Elect in 2010 and the meeting/program planning landscape has DEFINITELY changed! I felt extra rusty in putting together today's meeting, but Mandy, Mary Pat, and the rest of the executive committee were so helpful and willing to entertain my one million questions. With the past few years being dominated by Zoom, Teams, etc. it had been awhile since I'd had to organize an in-person meeting outside of my hospital. I was a little shocked at how full meeting spaces calendars already were in July, and I want to give an enormous THANK YOU to OhioNet, especially Heidi Beke-Harrigan and Lisa Witmer, for hosting our fall meeting.

I hope to learn a lot from this meeting about planning and logistics for an in-person OHSLA meeting to help inform next year's President-Elect and I am open to any and all suggestions! I am also actively seeking volunteers for the Program Committee for the Spring 2024 (virtual) meeting, so please contact me if you are interested.

Thank you!
